

Brake Brothers Distribution Warehouse, Reading

Client –	Brake Brothers
Main Contractor –	Vinci Construction
Architect –	Michael Sparks Associates
Services Value -	£3M

Axiom Building Services Ltd have recently completed the installations of mechanical and electrical services for a new food distribution depot for Brake Brothers.

The installation was a fast track new build project and Axiom have undertaken the power distribution, electrical systems, security, ventilation and office fit out to enable the building to be occupied ready for the supply of food to the London Olympic site.
