

Marina Court - Tewkesbury

Client –	Hanover Housing
Main Contractor –	Pettifer Construction
Architect –	Barton Willmore
Services Value -	£1.2M

This recently completed extra care retirement complex began occupation in January 2008 and consists of 50no self contained apartments within a central building and 25no serviced bungalows in the grounds of the site.

To enhance the quality of living on the site the main building provides communal lounges and dining room as well as other facilities such as a cinema, 24hr on site assistance, hairdressing salon, shop and landscaped gardens.

Axiom provided all services on the project including power, lighting, heating, H&C water systems, fire detection & warden call. Many energy saving and innovative design solutions were developed during the design and installation period and Axiom are proud to have been associated with this project.
