

New Vehicle Workshop - Avonmouth

Client –	Stonehardy Ltd
Main Contractor –	Stonehardy Ltd
M&E Consultant –	RF&A
Services Value -	£120,000

Stonehardy Ltd who are successful company specialising in the repair and maintenance of commercial; vehicle tail lifts selected Axiom for the installation of services in their new workshop facilities at Greensplott Road Avonmouth.

Mechanical & electrical services were provided including radiant heating and LPHW heating, lighting, power, mains distribution, security and fire protection.

The size and usage of the building required the use of many energy efficient features to ensure compliance with building regulations and these included daylight linking on lighting controls and window shading.

The project was completed in March 2008.
